# AIG Combined

Loaded with products and services

# Welcome to AIG Combined!

A comprehensive combined insurance policy for businesses, that's loaded with a glittering array of products and services. We believe it represents outstanding value for businesses and here's a preview of what it contains.

## The Basics... Automatically included

- Your property: "All Risks" cover for your buildings (if you are responsible for insuring them) your stock, your contents and your equipment.
- Your profits: Business Interruption insurance covering your loss of gross profit if an insured "All Risks" event damages your business.
- Your employers liability: £10m limit to cover your business's legal liabilities for employee injury or illness.
- Your public liability: £10m limit to cover your business's legal liabilities for injury or illness to the public, or damage to their property.
- Personal Accident: £10,000 death benefits for your company directors.
- Cover for your business's cash on your premises, cover for any refrigerated stock and any loss of license or registration cover appropriate for your business.

We also offer fixed rate deals where we can maintain the policy premium rate for 2 years.\*

\*Terms and Conditions apply

"Instant Office" Disaster recovery and Online Data Backup are included for AIG Combined Office policies with annual premium over £1,000 and all AIG Combined policies where annual turnover exceeds £10million. Equipment Breakdown cover subject to £250 excess each claim

Your management liabilities: £50,000 D&O to cover defence costs, damages and settlements in case any of your directors are sued for "wrongful acts."

"Instant Office" if your office premises are damaged: fully furnished local alternative office, with new PCs supplied installed and data reinstated all usually within 24 hours.

Your Business Data: A free 2GB of online data back up (you can buy more if you like). Select which files you want to automatically back up and store remotely, ready for retrieval whenever you need them.

## ...and a great deal more: Also automatically included!

Rehabilitation for employees injured at work, a case manager (usually a registered nurse) oversees the medical treatment of your injured employees, to get them back on their feet safely and quickly.

Up to £100,000 legal costs. Up to £25,000 accountants costs for tax investigations and unlimited access to a legal helpline, that will even review your documents, letters etc.

Breakdown your business's equipment from electrical machinery to boilers and air conditioning all covered against breakdown. Even old equipment is covered. (Restrictions apply to production equipment for some Manufacturing trade types. Ask us for more information.)

On top of all this, you get the reassurance of knowing that we belong to one of the strongest and most stable insurance and financial organisations in the world - and can provide a level of financial security and stability to our policyholders matched by few others.
