

Script: Far Sighted Client – Loss Control

Accel Elite is an ideal way for employers to make their businesses healthier and safer.

We provide loss control for many policyholders: including an in-depth site visit followed by a detailed debriefing with full written report, highlighting strengths and weakness and identifying practical steps to fix deficiencies and help achieve best practice. In short, we help businesses demonstrate good Health and Safety management to staff, customers and regulators.

In addition, we provide many other loss control consultancy services: from absence management to stress assessment – often finding ways to share the costs involved, making them highly cost-effective.
